Message from the Exalted Ruler

Dear Members,

As I am writing this, my last Antler column as your ER, it gives me pause to reflect on the high points and challenges of the past two years. There have been numerous accomplishments including bringing the Board and volunteers together to make the Lodge more attractive to members and private parties; the addition of more than 40 members and new and diverse members of the Board and Trustees; and the establishment of a maintenance reserve fund to provide for the future to name a few. Still, this morning I had a conversation with a highly regarded, long-term, active member who expressed concern about “the divide” among members. It inspired me to think more deeply about all of us. We like to dance and have fun and sing karaoke. We like to sit at the bar and try not to talk politics or Lodge business. We celebrate our lost Elks with the Eleven O’clock Toast. We feel good when we raise money for our charities and cheer on those who help others in distress. We like to hang out together, plan trips, calm the drama and solve problems. We miss people when they are away. And why? Because 1079 is our family. It’s where we go to share happy stories and where we go when we are blue.

There are bound to be differences about who might be the best Lodge leaders and how things should be handled. The fact that there were several contests for officer/trustee positions is healthy and positive. When I became ER, there were no members willing to serve.

Sometimes, it’s hard to know what to wish for – is it better to have a group divided around two or more candidates or issues, or is it better to have no interest in leading the organization? Well, I’ll take interest over apathy every time. I have confidence that the great majority of our members want only the best for our Lodge. Each of us has the capacity to be kind, to put aside differences and come together to assure a healthy future for Orlando Lodge 1079.

Most of all I have enjoyed meeting so many of you and

watching our Lodge become a warm and welcoming place. It has been my distinct privilege to serve as your Exalted Ruler. Thank you for the opportunity.

Best regards,

Donna Hoffman

Spring is almost here, a time of renewal and regrowth for nature and for our lodge as well if we all do our part and volunteer.

What is the purpose of volunteering?

Being a volunteer has lots of benefits. It can bring meaning and purpose to your life, while increasing your self-esteem and wellbeing. Volunteering can also relieve stress and alleviate symptoms of depression. As well as having a positive impact on your community, volunteering can improve your relationships. Contact any of your lodge officers to find out how to volunteer your time and talents to your lodge! Make this Spring season a time of renewal in your own life as well.

SPRING CELTIC BLESSING

May you lean on the strength of the oak tree, and drink in the beauty of each new day. May the spring waters refresh and heal you. As the Trinity enfolds you.

Thank you to our active duty and veteran military members and first responders .

God bless the USA!

DAVID DUB-YAH'S JUKEBOX LIVE

(Well, mostly live)

On Friday March 3rd, I will be performing my 100th Jukebox show. Please join us in the pub about 5:30 or so for dance and listening to music as I once again sing for Tips and to celebrate living; God is good! My end time is when the lodge closes at nine, but I will go longer if the bar is making money so drink up!

The lodge will no longer provide food for sale on my show nights, but Amy and two other dear friends feel compelled to bring in snacks to bribe you into coming. You may also bring your dinner or order in but if you're not hungry there *IS* plenty of drink available at the bar.

Placards on the tables and bar list some of my songs and all are different. I will also have my song books available containing around 1500 titles from country to disco for your perusal so *you can pick* song selections from your past to hear *me sing*.

Monday Morning Boys (MMB)

The Monday Morning Boys are looking forward? to the grass growing again... Yes, we do enjoy the outside work. Prior to the lawn cutting we will need all hands-on deck to do the raking of leaves...Want to help? No talent needed!!

In the last several weeks the secretary's office has been painted thanks to a couple of the MMB gang. The lot has been kept in tip shop shape; we always pick up a few large buckets of trash each morning.... and of course, always fixing a leak, doing minor electrical, setting up bingo, fixing chairs and the list goes on and on...

ROB DEWITZ

Elk of the Month. Rob Dewitz. Rob joined our Lodge just a few years ago. His wife, Millie, first a Doe, joined more recently. He joined ELKS Lodge 2235 in Carteret, NJ in 1976. Rob has a strong interest in music so it was a natural for him to provide karaoke entertainment which he does both as a contractor and as a volunteer. Rob served as Chaplain and then became a Trustee. He always helps set up the Lodge room, gets the mikes ready and pitches in where needed. He is part of our IT team and recently relocated the TV in the pub so people would have a better view, first encouraged by Rich Margeson. Rob donated and configured the informational member relations TV in the pub. He is a member of the Lodge Activities Committee and makes continuous updates to promote Lodge and Elks values, happenings and coming events. Thank you, Rob, for all you. We appreciate your countless efforts.

ANNUAL DRUG AWARENESS POSTER CONTEST - WINNERS ANNOUNCED

On February 7, 2023, Orlando Elks Lodge 1079 conducted its 2022-2023 Drug Awareness Poster Contest Award Ceremony at Waterford Elementary. Elks National Drug Awareness Program is the largest volunteer drug awareness program in the United State. This year's theme is "One Pill can Kill!" As Chair and Trustee of the Orlando Elks Lodge 1079, I coordinated the Art Contest with students at Waterford Elementary School from 3rd through 5th grade. This gave me the opportunity to educate them about the dangers of substance abuse. This was done with and the assistance of the Art Teacher, Donna Lindsay. This year, the Orlando Elks Lodge 1079 provided Trophies, Medals, cash prizes, certificates and snacks after the event.

The three young winners really thought about their message and artwork. Our first place winner, Isabella Mata displayed how drugs can be a negative impact in her life and if she lived without drugs, she can have a brighter future in music, sports, awards, graduation and even a happy home. I spoke to second place winner, Charlotte Overstreet and asked her "What inspired you do come up with this design?" She said "She had a family friend who died of an overdose." I can see the beautiful colors she gave her large pills on her drawing and ironically pills in society are taking many shapes and color to look pretty or alluring. Unfortunately, it may look pretty but pills can be deadly if not used properly or purchased from the streets. Finally, young Mirianadrea Sangronis moved here from Venezuela a few months ago and barely speaks English. She understood the contest rules and wanted to make a picture of a young girl making the right decision, despite peer pressure or bad influence. She

said "Being cool, means being drug free." We received many entrees and provided trophies to the top ten and gave medallions to all the other participants.

I am thankful to Principal Danielle Arblaez-Willis who supports the Orlando Elks Lodge 1079 and the Annual Drug Awareness Poster Contest. The participant's artwork was displayed at the school. This way the other children can read/see then learn from the message through Art.

Respectfully,
Carmen Rivera

CHRISTIAN SERVICE CENTER

Rob and Millie routinely spend their time volunteering at the Christian Service Center, providing lunches to the homeless. Learning that the CSC was struggling to keep up with overhead costs to run the center, Rob appealed to the Orlando Elks 1079 Board of Directors for a donation.

On February 14, 2023, Orlando Elks Lodge 1079 donated \$1,000 to the Christian Service Center.

VALENTINE'S DAY DINNER DANCE & FUNDRAISER

On February 14, Orlando Elk Lodge 1079 help a Valentine's Day Dinner, Dance and Fundraiser, a joint venture between us and One Heart for Women & Children. Planned and executed with the help of the PER's and the Activities Committee, the event morphed from a potluck dinner in the Pub to a full-blown steak, chicken, or vegetarian dinner in the Ballroom. "If we want to make money for our lodge and improve our financial health, we have to think BIG", said PER Mike McClay. At a November Activities committee meeting, Donna Hoffman, Exalted Ruler, said, "We need to make this a fundraiser for us and a local charity. What better alignment for Valentine's Day than "One Heart". Event chairman, Diane Politi, took that to heart...no pun intended. Working with Stephanie Bowman, One Heart for Women & Children President & Founder, and Barbara Kenney, a community leader and board member for One Heart, we were able to pull together resources to create a very memorable event for our members and the community.

One Heart donated a silent auction of nearly 40 items; AARP contributed long-stem roses for the ladies; Kathy Lewis, Violinist, greeted guests with her beautiful violin music; Carl Motes photographed all who wanted pictures. The PER's planned the meal, shopped for groceries, took a food handlers class from Pom Moongauklang, and cooked our meal.

We raised almost \$5,000 for ourselves and One Heart for Women & Children.

ORLANDO LODGE #1079 SUPPORTS LOCAL FAMILY

On February 4, 2023, the Orlando Elks Lodge 1079, provided a Charitable Donation Check to: Salome Piedrahita for \$500 for Family Financial Assistance.

Salome is a 22-year-old Nursing Student from the University of Central Florida. She also works full-time and is the guardian for her diabetic 11-year-old twin siblings, Maria and Nicolas Delarosa.

This family has been hit tragically with the loss of both parents. The mother passed in 2015 and her stepfather passed away in April 2021. In November 2020, I invited the family to come to the Orlando Elks Lodge to pick up a fully cooked Thanksgiving Dinner. Shortly after, the father died and the aunt from New York wanted to take the children, but Salome refused. With the help of her school advisors, she was able to obtain full custody of her siblings. Salome admits it has been difficult raising the children without her parents, but she is working hard to provide a happy home.

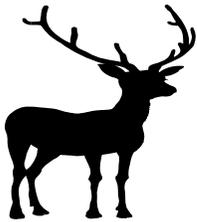

In October 2021, Maria Delarosa won third place in the Orlando Elks 1079, Drug Awareness Poster Contest. When she received the money she said "I am going to buy groceries with this money!" It almost broke my heart, and I told her to keep the money to buy something nice for

herself. I spoke to Salome and told her to have the children take home groceries after school from the Food Bank at Waterford Elementary School. The Orlando Elks Bingo volunteers and players donate food and school supplies that go directly to several schools in our community, including Waterford Elementary.

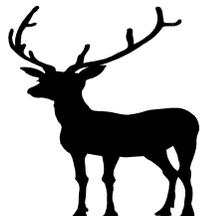

In the summer of 2022, Orlando Elks Lodge 1079 sponsored both Nicholas and Maria and they attended Elks Children's Camp. Salome said, "It was a great opportunity for the children to be outdoors, meet new friends, and get out of their small apartment." She hopes that the children will be able to attend this summer. Our lodge will definitely sponsor this family again.

All in all, Salome doesn't have a family here in Orlando, but she has us. Orlando Elks Lodge 1079 is proud and honored to help this young family by applying our principles of charity, brotherly love, and fidelity. Keep this family in your prayers and thank you all because it really does take a village to raise a child.
